DETAILED ACTION

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 4/25/05 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Allowable Subject Matter

Claims 1-15 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 1-11, see reasons for allowance in office action dated 1/28/05.

Regarding new independent claim 12, examiner agrees with applicant's arguments dated 4/6/05. The prior art of record fails to specifically disclose a radio communication device comprising a first notifying means for notifying an incoming call by generating a ringer melody, which includes a plurality of melodic lines; and a second notifying means for notifying the incoming call, wherein the second notifying means determines sound periods and silent periods based on a signal generated by one of the plurality of melodic lines of the ringer melody and is driven in the sound periods.

Claims 12-15 depend on allowable independent claim 12 and therefore allowed for the same reason.

Art Unit: 2618

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
